BRIEF DESCRIPTION

Ballymahon Vocational School is located in the town of Ballymahon, Co. Longford and is situated mid-way between Longford and Athlone. It is a Vocational School, which is managed by Co. Longford /Westmeath Education and Training Board. Ballymahon Vocational School is the school of choice for parents who want the very best individual educational experience for their child. Our highly qualified and experienced team of Teachers endeavours to help students to reach their personal best at all times. Past pupils of this school now have careers in academic fields such as Medicine, Education and Technology as well as in trades such as Carpentry and Mechanics.

The school provides a complete programme for Junior Certificate and Leaving Certificate Examinations. We also have an extensive range of extra-curricular activities to compliment learning and development such as pantomime, choir, sports and web development.

Transition Year

We are pleased to announce the introduction of Transition Year in Ballymahon Vocational School in September 2014. The staff have been developing the programme over the last school year in conjunction with the former National Co-ordinator of Transition Year – Mr Michael O Leary.

During the year we have worked closely with parents and students in preparing the programme. We are delighted with the uptake and we are pleased to announce that we will have two TY classes starting in September. It is certainly a milestone and an exciting time for our school and our students.
