## BRIEF DESCRIPTION

Grange Post Primary is a thriving Co-educational Second-level school committed to providing education of the highest standard to the second-level students of North Sligo, including Grange and its surrounding areas. They offer a full range of subject choices to higher level at both Junior and Senior Cycle. They also provide a structured innovative Transition Year programme as an option the students can avail of. Their strong academic goals and achievements are complemented by the varied extra-curricular programme with sport and music in particular, deeply embedded in the school culture. They provide a wide variety of sporting opportunities for all students ranging from rugby to hip hop and athletics. We have a very successful school choir, "trad" group and annual talent show where any students with an interest in music will have ample opportunity to demonstrate and enhance their skills.
