# BRIEF STATEMENT

The ethos of Hazelwood College is to provide each student with an education in a safe and nurturing environment. This is achieved through our dedicated Staff and strong positive leadership from the Principal and Senior management and the valued involvement and support from the Parents. The aims and values of our school are generated from a good atmosphere and positive spirit. As a result of this we have high and consistent expectations of all students. A clear and continuing focus on learning exists within Hazelwood College; this is aided by our well-developed procedures of assessing student's progress along with the shared responsibility for learning by pupils themselves. Our extra-curricular activities broaden our students' interests and experiences, expand their opportunities to succeed and help build good relationships within the school. In Hazelwood College our priority is our students, preparing them for their next step in life by providing each one of them with a well-balanced education.
