TRANSITION YEAR CURRICULUM

Transition Year (TY) is a one-year programme which is designed to act as a bridge between the Junior Certificate and Leaving Certificate programmes. In Athlone Community College Transition Year is optional for students.

Transition Year offers students an opportunity to mature and develop without the pressure of an examination. It also provides an opportunity for students to reflect on, and develop an appreciation of, the value of education and training in preparing them for the ever-changing demands of the adult world of work and relationships.

PRINCIPAL'S MESSAGE

Our Loreto ethos is what distinguishes us from other excellent schools. Here in Loreto College Cavan we are immensely proud of our Loreto roots, which are strong and deep and define our identity as a Catholic school. Our core values are Joy, Freedom, Sincerity, Truth and Justice and we strive to ensure they find daily expression in every facet of school life. We communicate these values to our

students so that they may be enriched and lead meaningful lives, both now and in the future.

One of the best definitions I have read of a school is, “Four walls surrounding the future”. Loreto College Cavan strives to provide our students with a broad and balanced education that will serve them well into the future and equip them to contribute richly towards making this world a better place for all. Our school’s Mission Statement, featured on this website, highlights our holistic approach to the education of our students. The school curriculum aims to put the ideals of our Mission Statement into action. We provide a wide range of subjects at Junior, Transition and Senior Cycle levels, as well as extra-curricular activities, to develop students various talents.
