:-

## **TRANSITION YEAR CURRICULUM**

Transition Year (TY) is a one-year programme which is designed to act as a bridge between the Junior Certificate and Leaving Certificate programmes.

Transition Year offers students an opportunity to mature and develop without the pressure of an examination. It also provides an opportunity for students to reflect on, and develop an appreciation of, the value of education and training in preparing them for the ever-changing demands of the adult world of work and relationships.

# Leaving Certificate

## **Mission Statement**

Moyne College is a non-denominational, co-education post-primary school and is committed to providing a service of educational excellence, which facilitates the holistic development of every student to enable them to realise their true potential in a safe, caring atmosphere.

## **Vision**

To become the leader of academic excellence within the community which provides educational and social opportunities for all.

## **Aims**

- To continue to provide high quality teaching and learning.
- Provide an all inclusive, safe and caring environment which facilitates individual needs and differences.
- To operate a positive ethos of Mol an Oige.
- To implement
- positive discipline in accordance with the school code of conduct.
- Foster partnerships between home and school to maintain educational responsibility
- Further develop existing links with the community.
- Offer all students a varied and balanced curriculum programme choice.
- Offer all students a wide range of extra curricular activities.
- Provide guidance to all students and parents on subjects, programmes of study careers and further education.
- To monitor students' academic progress and recognise achievements
- Compare students academic performance at exam level with national standards.
- To recognise, value and nurture the true worth of the individual.
