## BRIEF DESCRIPTION

At Presentation Secondary School, Ballyphehane, we are inspired by the vision of Nano Nagle in promoting a faith community underpinned by Gospel values and a holistic response to the spiritual, moral, social, intellectual and physical needs of each student.

*“Your daughter will learn in a happy, inclusive and positive learning environment set against an atmosphere of mutual respect and dignity for all. Your Daughter will be part of a progressive culture with a focus on knowing each student personally. Small class sizes will maximise your daughter’s individual learning needs. She will be taught by a dedicated and dynamic group of teachers who inspire each student to succeed. Modern teaching methodologies are embraced, centered on interactive student learning.”*
