## BRIEF STATEMENT

St. Paul's Secondary School is a co-educational voluntary secondary school situated in Oughterard, Co. Galway. The school was founded in 1964 by the Mercy Sisters and is now under the trusteeship of CEIST.

The school is committed to meeting the needs of all its students so we offer a broad educational experience and provide the opportunity for each student to achieve academic excellence whilst also developing the whole person. We encourage the moral, social, cultural and physical development of all students. The subjects and courses offered prepare students for entry to third level education and for all trades and professions.
