BRIEF STATEMENT

St. Tiernan's College with the co-operation of its Educational partners endeavours to provide an environment where each student is cherished equally and is nurtured to a personal, intellectual and moral maturity. We are committed to creating an atmosphere in which each student is challenged to reach his or her full potential. We envisage to foster an appreciation of the Arts, our National and European culture and the greater Global Environment. Our Co-Education approach to learning places emphasis on equality of opportunity and offers flexibility in response to an ever-changing society.

Our philosophy of Education is one which embraces and respects all creeds. We aspire to an holistic education encompassing the intellectual, moral, religious, personal, physical and social dimensions of our being.

Our ethos encourages a mutual respect for one another, where the joy of learning becomes a reciprocal experience.
